Senior Warden Report

June 10, 2018 Submitted by Barbara Brecht, Senior Warden

The Steadfast Love of the Lord never ceases. His mercies never end.

Some updates

- Several of us have continued to meet and discussed space usage and ideas for revised rates beginning in September. I Still need to meet with Jordan and Kate.
- We had 11 new people at the Newcomers Brunch in early May. It was well received and particular thanks to Madeline Olsen for doing a wonderful job presenting stewardship in both a nonthreatening manner while indicating the clear privilege and need to financially support our parish. We hope to have these on a quarterly basis as a way to help folk feel a part sooner instead of later.
- Kerlin, Ben and I met and discussed new job description for the "Music Director" position. It was a spirited discussion. One outcome of the discussion was to look at the possibility of trying for an EBOF grant that would support an Evensong Service led by non-typical folk under Ben's leadership. He already leads "Voices Unlimited." The grant has been submitted, with great thanks to our Derek. You all heard about this in last month's meeting as well as in some on line updates and votes. Will provide an update in the June meeting.
- Kerlin and I discussed restarting, and redefining, the "Children Ministry Coordinator" position. I have attached a draft of a "job description" for the position. Dedicated funding is already in our current budget, funded for a full year. As such, should we approve it, we can move on the hiring process sooner instead of later.
- Carolynn's birthday was May 11. It is now known as "Spring Hanukah" since it must be celebrated for at least eight days! Still recovering.

Thanks to all of you for your good work in supporting our parish. We are blessed to serve here.

Jr. Warden's report for June 10, 2018

For the most part, it was general housekeeping for me around the building and grounds this month.....except for:

On May 7, was able to repair an incorrectly working toilet in the men's room, with some technical advice from Happy's Plumbing. This had been a troublesome item for several months, so it's good to have it taken care of.

We were able to complete the installation of the new floor in the upstairs ladies restroom on May 21. It was quite a bit of work, but I think the finished floor looks good! We went slightly over the \$500 estimate due to the need for underlayment plywood and the cost of cutting and installing the plywood. My "super volunteer" John Harrington helped me uninstall/reinstall both toilets and disassemble/reassemble the dividers to complete the project.

I'm looking forward to working on the courtyard rain garden this month, as well as possibly retrofitting the closet to the right of the stage in the Parish Hall for St. David tablecloth storage.

I'm sure some little projects will appear for Crystal and me this next month! Hopefully, the Vestry will let us know if they have items of concern.

Treasurer's Report May 2018

Monthly Income:

- May Pledge: \$14,762 110% of budget (includes one annual pledge of \$6000)
- May Plate: \$1056 63% of budget
- May Building Use: \$5696 124% of budget (excluding \$1050 summer camp payment for \$6746 total)

Monthly Expenses:

• Typical. Building and Grounds and Children's/ Youth Ministries continue to be below budget.

Non-Event: \$5751 (30 donors). In my mind, this is a success. We had budgeted a hopeful \$6500 to match 2017's total. We are close to that. It's an amount that will help us through the leaner summer months and few resources are expended to raise it.

Funds raised for our Street Roots Vendors: \$1231. Jean Baker is working with Bettyjo to find the best way to disperse the funds.

Year to Date Income:

- Pledge: \$63,669 95% of budget
- Plate: \$8792 106% of budget
- Pledge & Plate: \$72,461 96.6% of budget
- Building: \$29,486 128% of budget (excludes \$5500 prepaid for summer camps for \$34,986 total). The success
 of the building is most probably from a cautious budget number and from Erin's growing expertise and
 additional time she has to devote as building curator.
- We are plus \$20,943 on an accrual basis for the year (remember that includes \$8000 in capital funds). Our income is pretty close to projections, our spending low because of building and children/youth. The budget included \$1625 per month to be spent from savings; we haven't had to spend that money.

Funds Transferred to Savings:

As we approach the half year mark, it's a good time to review the 2018 budget and spending. There are two areas that we haven't spent as much as planned. I've moved funds from those categories from checking to savings in order to separate funds that have been spoken for under the 2018 budget. Under Building and Grounds for Repairs and Maintenance we budgeted \$15,000. That amount was higher than previous years for the unexpected repair and the suspicion that we might need to repair the front sidewalk. We've spent \$2922 so far. I kept an additional \$2,000 in checking and moved \$10,078 to savings. For Children's and Youth Ministries we budgeted \$8320 and \$5200 respectively. We've spent \$1388. I've moved the remainder of \$12,132 to savings. I've also moved \$2,000 savings for Kerlin's sabbatical at her 5 year mark.

Upcoming Budget Decisions

Summer is a good time to take some rest and relaxation from the schedule of regular parish life. As we look to September (the lived beginning of the year) and to 2019 budget planning, I ask that you give the budget some thought. At St. David's we've been a mix of taking financial risks and intense frugality, making magic from stardust. I start with the intention of funding music, children, youth, and young adult ministries. Please give those ministries some thought: what part will be checkbook and what part will be stardust? What might we have to offer a minister in addition to money?

Finally, thank you to Gary Allen, master of all things stardust, for the hard work on our new, beautiful, affordable bathroom floor.
